

Ritchie Combi-Clamp

£POA

Rubber floor (NEW for 2022) offering improved grip and quieter working, adding to livestock safety and improved welfare. A large foot treadle allows the operator freedom of movement whilst restraining the animal for treatment. The Combi Clamp width is fully adjustable to suit different sizes of sheep. The Combi Clamp linkage is adjustable to suit different weights of operator. Easy use for dagging, drenching, vaccinating and tagging. Simple non-return hock bar. Can be set up for left or right-hand operation. Includes auxiliary frame with orange tubs.
